

INFO AND GUIDELINES

THE BASICS

Tables. Place settings. Chairs. Easy parking. We've got a list of essentials included with every event, but when it comes to your vision—there are no limits! We are anxious to explore 'what's next' in events and have the resources to customize anything to your own style and ideas. With 7,300 square feet, there are multiple ways to use the space.

THE TECH

Interactive. Current. Transformative. Stay tuned as this integral piece of our brand comes to life.

THE FOOD

Quality. Consistent. Inventive. That's what you can count on at 18Rails. Led by Chef Vince Bommarito, Chief Culinary Officer of our parent company, Butler's Pantry, all food will be prepared with the utmost passion and care. As an exclusive caterer, we are confident any dietary accommodations can be made.

THE ENCORE

Adaptable. Boundless. Accommodating. Our pricing is based on a five-hour window, but should you wish to extend your event another hour, you have the option to pay an additional \$500 plus tax, as well as \$2 per guests to keep the good vibes going. As long as the event ends by midnight, YOU can decide when the party ends
